

Concise Resumé Jeroen Schaftenaar

Experience

Growing up as the son of a retail store owner I am not one with a 9 to 5 mentality. While participating in extracurricular activities ranging from being on the board of directors of my study society to running my own business and studying abroad I received all my degrees with standards of excellence.

Degrees

Applied Arts - Computer Game Design & Development (BAT)
International Management & Business (Minor)
Computer Science - Production Automation (AIT)

Languages

Fluent in both spoken and written English and Dutch
Basic knowledge of German and Indonesian

Skills

Coding : PHP, Java, C++, Python, Javascript, Pascal, OPL, Actionscript 3
Networks : LonWorks, ProfiBus, Ethernet/IP, CAN
Game Industry : Licensing models, Game genres, Gameplay programming
Other : Hofstede analysis, Internet marketing
